

NAF Denmark are proud to once again, host "the Danish Open".
This year we have further fine-tuned the ruleset we like to call "All Teams Viable".
"All Teams Viable", can be scrutinized in this rulepack.

We welcome all coaches who seek fame and glory by trying to wrench this championship from Danish claws, and will reward such with great trophies and prizes to reflect their achievement.

★ PAINT & MINIATURES ★

Painted miniatures are not mandatory (though we urge you to do so).

Those teams that by the tournament staff are deemed painted (ALL miniatures are painted and flocked to a sufficient standard.) will get +1 Assistant Coaches & +1 Cheerleader.

This will take effect from round 2. During the first round the referee(s) will review all teams as they play. The miniatures don't have to be from a specific manufacturer.

We encourage you to use the following color coded bases:

- ☛ Grey/Black: Lineman
- ☛ Red: Blitzer
- ☛ Green: Blocker
- ☛ White: Thrower
- ☛ Yellow: Catcher, Runner.

If your opponent can't easily recognize the different player types on your team, you must let him mark them somehow (without damaging the miniatures, of course).

2 Points are awarded for a victory, 1 Point for a Draw, 0 Points for a Loss, and -1 Point for a Concede.

In the case of equal point score in the table of standings the following tie-breaker is used:

- All rosters must have team value 1.100.000 and all allowed inducements must be on the roster.
- No other inducements are allowed.
- Your roster must be built using the "All Teams Viable Ruleset", found on page 5 in this document.
- All skill must be chosen before the draw for round 1 is made.
- Rounds 1-3 are played with skill bundle 1. Rounds 4-6 are played using skill bundle 1+2.
- Stacking of skills are not allowed, except where noted. Each model can only be assigned 1 additional skill.
- We play according to the BB2016, Death Zone 1, Errata, FAQ, Teams of Legend.
- All 24 teams are available, including Chaos Pact, Slann and Underworld. Khorne, Bretonnia etc. are NOT allowed.

- The four minute rule is not enforced, but if the game is not proceeding according to the time schedule, the referee may issue a timer. The referee can issue a timer, or battleclock, with a fixed turn-time. Should one player ignore this, that player will automatically concede his game. Any coach can request a timer at any time.
- If you are including a Star Player, you must have 11 players on your team BEFORE hiring him. Having 10 players plus a Star is not allowed. If two teams play each other and have the same star player, the star player will sit out for the game
- First round is random draw. Subsequent rounds will be swissdraw. The best placed coaches will be seated on the tables with low numbers.
- Gametime is 2½ hour. the Tournament Organizer will make an announcement at half-time.
- Dice must be easily recognized. We recommend everyone to use the official NAF Block dice, and clearly point out what a given logo on a dice is (D6 - Either a 1 or a 6.) If a Coach cannot accept your dice, you must play with standard dice.
- If a Coach requests to use your dice, you must "share" dice.
- In doubt—Organizer has the final word.
